

Vice-President
for International Affairs
張淑英 教授

Chang, Shu-Ying
Luisa

Luisa Shu-Ying Chang is Professor of the Department of Foreign Languages and Literatures at National Taiwan University. She received her B.A and M.A. from Fu Jen Catholic University, and Ph.D. in Spanish and Latin American Literature from Complutense University of Madrid. Before acting as Vice President for International Affairs, she was Deputy Dean of the College of Liberal Arts at NTU. Specializing in contemporary Spanish and Latin American literature, she has carried out research for many years in such related fields as movie and literature, travel literature, gastronomy and literature, modernist poetry, theory and practice of translation.

Deputy Vice-President
for Student Affairs
陳佳慧 教授

Chen, Chia-Hui
Cheryl

Cheryl Chia-Hui Chen is Deputy vice president for student affairs and professor of nursing at the National Taiwan University. She holds a doctorate in Nursing Science from the Yale University. As a gerontological nurse practitioner, her research focuses on the management of geriatric syndromes and functional decline in older hospitalized patients. She lectures and consults nationally and internationally on topics related to malnutrition, delirium, and frailty. She also holds a joint appointment as nursing supervisor at National Taiwan University Hospital.

Professor
Dept. of Chemical Engineering

徐治平 教授
Hsu, Jyh-Ping

Professor Jyh-Ping Hsu received his PhD degree from Kansas State University, USA, in 1984, and joined NTU ever since. He was the Vice-Dean of the College of Engineering in 1992, Head of the Department of Chemical Engineering from 1992 to 1995, and the Dean of the College of Engineering, National I-Lan University, from 2003 to 2005. His research interests include the stability of a colloidal dispersion, electrokinetic phenomena, and microfluidics/nanofluidics. His has published ca. 350 SCI papers and three books.

Director of Global Alliances
Office of International Affairs
張華玲

Chang, Hua-Ling
Linda

Linda Chang leads the Global Alliances team; together they create and enhance frameworks for sustainable global partnerships, promote diversified opportunities and excellence in experiential education at National Taiwan University. In this role since 2008, she mines massive soft and hard data in order to design global visits for high-level delegations to and from NTU campus, including heads of state, government officials and senior academic officials.

Manager
Office of Student Affairs
石鈞太

Shib, Chun-Tai

Chun-Tai works at NTU's Office of Student Affairs, overseeing the Global Initiatives Symposium in Taiwan, one of the most prominent international conferences in Taiwan with four hundred delegates attending each year. With his extensive academic trainings and experiences in International Relations, he loves to meet people from different back-grounds, as one of the important elements of being a global citizen.

2015 NOVEMBER

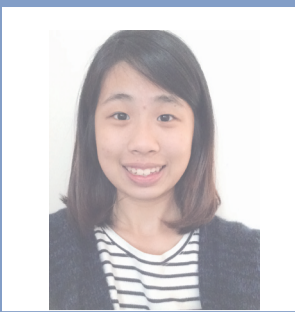

**NATIONAL
TAIWAN
UNIVERSITY**
STUDENT DELEGATION
to KUWAIT UNIVERSITY

張哲維
Chang, Che-Wei
Kevin / DoJohn

Kevin is an enthusiastic boy. He is always curious about everything he sees and is brave to be out of his comfort zone. He is a graduate student studying application of wavefront sensor in the Department of Mechanical Engineering at NTU. Currently, he runs a social enterprise called Like It Formosa which is a non-profit organization and promotes Taiwanese culture and tourism. He is also a dancer and music-holic.

傅馨霈
Fu, Hsin-Pei
Abby

Abby is a senior majoring in International Relations of Political Science. Aside from international affairs, she's also interested in gender studies and issues. In her free time, she enjoys reading, lounging around coffee shops, and scrapbooking. Having grown up in various countries, she loves meeting new people, traveling, and experiencing different cultures. However, she hasn't had the chance to visit the Middle East, and she is excited about the upcoming trip to Kuwait.

許君山
Hsu, Chun-Shan
Sam

Chun-Shan majors in entomology as a senior in NTU. He founded the skateboard club and had served as the president of it. Having received academic excellence award shows that he got a good balance between schoolwork and socializing. During summer vacations, he worked as a surfing coach in Surfella shop. He loves EDM and plays piano. As a backpacker, he travelled to several countries such as Australia, India and so on, hence developed an independent personality.

李昱璋
Li, Yu-Wei
Sarrah A. Alshaour

Sarra is a senior in Mechanical Engineering at NTU. She is currently working on animal experiments regarding Implanted Neural Interfaces with NTU Biomedical Engineering Department, and has the passion to study further in this field for grad school. Apart from studying, she has been working as a research assistance in Tiny Machine and Mechanics Lab and as a marketing specialist in the Middle East region of IQ Technology Inc. She served as a secretary of Ministry of Foreign Affairs at NTU Student's Association in her third year in college and had many experiences to work with private companies from the Middle East as a multi-lingual interpreter.

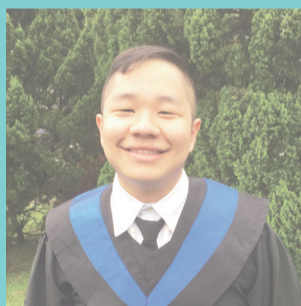

蔣耀宇
Chiang, Yao-Yu
Vic

Yao-Yu is a senior majoring in foreign languages and literatures in NTU. He loves to explore the world. In his first two years of college life, he had attended the WMUN Conference held in Australia and won the second prize in a journalism competition in Quanzhou, China. Last year, he traveled around Europe while doing exchange in Sweden. He loves meeting new people, although sometimes he runs into some crazy things as well. This May he just went to Morocco and was indulged in the beauty of Islamic culture. Because of that, he's really excited to go to Kuwait this time!

林蔓娟
Lin, Man-Chuan
Sandy

Sandy is now studying her fifth year in the Department of Horticulture and Landscape Architecture, specializing in landscape architecture. She is a life enthusiast with passion for a variety of art and design. Photography and writing are her favorite ways to record life. She loves seeing different sides of things and stories, because she believes there's something extraordinary in everything.

尚廣明
Shang, Kuang-Ming
Allen

Kuang-Ming Shang was born in Beijing, 1994. He is now a senior at National Taiwan University majoring in Electrical Engineering. Kuang-Ming was the president of NTU design thinking club. He was the director of public relation at NTUEE student association. He likes to read books and goes traveling around the world. He enjoys Chinese calligraphy and collecting fountain pens. He also cooks a lot! For more information, please visit: <http://goo.gl/F7VBLf>

蘇怡安
Su, I-An
Amy

Amy, who graduated from law school two years ago, is studying forensic developmental psychology as her Masters. She loves travelling and she has been to international conferences in Turkey, Russia, & Hong Kong. She has also been an exchange student at University of Washington in Seattle, US a year ago. She loves photography, writing, watching movies, and detective/legal dramas (e.g., Criminal Minds, Silk, and recently How to Get Away with Murder!). Since she's a girl who's interested in EVERYTHING NEW, she just cannot wait to embrace the upcoming extraordinary trip to Kuwait!
(مكيلي ع م السلا)

陳泰翔
Chen, Tai-Hsiang
Teddy

Teddy is currently a NTU sophomore majoring in accounting. He is an outgoing and open-minded person, and he is curious about everything in this world. Making new friends and exploring the unknown are his biggest interests. He likes to learn foreign languages as well as play-acts under the spotlight. Islamic culture and Arabic civilization have always been appealing to him, so he is very excited about the visit to Kuwait.

陳宣竹
Chen, Hsuan-Chu
Jun

Jun is a senior majoring in Public Health. She is very lively and full of energy. Chatting with friends is what she loves to do. She has been to Malawi and Nepal, the experience there influenced her a lot. Her aim is to do something in public health field and hope to achieve the goal: health for all. She participates in several school activities, and is the president of Student Association now.

林祐民
Lin, Yu-Min
Yumin

Yu-Min is now in his fourth year majoring in Medicine in NTU. Yu-Min is an atypical medical student with wide interests in medicine, biology, healthcare system, innovation, design thinking, and management consulting. He was the officer in Model United Nations club, and 2015 HackNTU (NTU Hackathon). He loves working with people from different backgrounds, as he believes amazing thoughts happen only when all the crazy ideas come together.

宋凱瑜
Song, Kai-Yu
Veronika

Veronika is a graduate student in Translation and Interpretation. She is passionate about films and aspires to become a filmmaker in Hollywood. She is interested in people's stories and likes to relate to them. She also loves going on adventures and has visited almost 50 countries. In her spare time, she enjoys taking pictures, hiking and writing scripts.
